Re: Docket No. 05-0002—, In the Matter of Public Utilities Commission Instituting a Proceeding to Investigate the Issues and Requirements Raised by, and Contained in, Hawaii Revised Statutes 486H, as Amended.

Dear Mr. Lau:

On February 7, 2005, the Commission Counsel for the Hawaii Public Utilities Commission ("Commission") submitted the Commission's proposed regulatory schedule, and requested that the Parties provide comments, if any, to the Commission by Monday, February 14, 2005.

In a letter dated and filed on February 14, 2005, Chevron U.S.A., Inc. ("Chevron") requests leave to file its comments, if any, by Wednesday, February 16, 2005. In support of its request, Chevron's counsel represents additional time is necessary in light of counsel's "late involvement in this case."

In light of the above, Chevron's request to file its comments, if any, by Wednesday, February 16, 2005, is approved. Should you have any questions, please contact Kevin Katsura, Commission Counsel, at 586-2019.

Sincerely,

A handwritten signature in black ink, appearing to read "Kevin M. Katsura".

Kevin M. Katsura
Commission Counsel
